OVERALL RESULTS

Acknowledgments

Thanks to everyone who participated in the 2007 CES UK Three Castles Welsh Classic Trial. Judging by your comments everyone had a good time, which is always our first objective. As organisers, we aim to create one of the best events of its kind in Europe. We recognise that there are always ways in which we can improve the event and strive to do so. We learn a great deal from your comments and value your support. We are also most grateful to the bodies and individuals listed below; without them this Three Castles would not have been possible.
